INTRODUCTION

MKB Engineering (MKB) was established in the year 2006 as constructors with an aim to serve the nation professionally in the fields of Mechanical & Civil Engineering. Over the years we have completed numerous Commercial & Industrial Projects of National Importance.

Since 2006 **MKB** continues to strive for providing reliable, efficient & cost effective projects to many Local and Multinational Companies on Turnkey Basis. We are committed to follow engineering code of practice/standards with HSE at the top and client's ultimate satisfaction.

MKB proudly acclaims to provide the best services and can undertake the responsibility to design, execute and manage the whole project on turnkey basis. Please find our list of services and clientele that might speak of our work quality and experience.

MKB commitment with client is also backed up by extensive technical support, after sales service and comprehensive level of stock, for immediate response to customer's requirements. If you have any queries for the pre-qualification of our company, please do not hesitate to contact us. We will be really glad to assist you.

Thanking and assuring you of our best services and Co-operation.

Regards,

Mobashar Ali Khan
